Hi Joy and Sherrece,

Attached is an RFO for [REDACTED]. Her vehicle broke down in front of the pregnancy center today. The center is closed for the holiday tomorrow through Tuesday. Is there any chance of getting this approved ASAP today so the mechanic has time to repair the car today? They are hoping to avoid her going without transportation for the next several days.

Thank you for your consideration!
Carrie

Subcontractor: Pregnancy Care Center

Please enter below the information for each item/service to be purchased. List the date of purchase, item to be purchased, cost for the item, and the justification. Items must be approved **before** purchased/provided to be reimbursed.

Client Name Amber Miller Date Enrolled 10-18-16

Proposed Purchase Date	Item	Total Cost (include formal estimate from provider of services)	Justification, include other sources of funding that have been attempted
6-29-17	Alternator and Battery for a 2007 Hyundai Azera SE (parts) (labor) -(discount)	\$404.11 \$203.40 \$180.44	Amber has been an A2A client since 10-18-16. She has followed through with classes and appointments. She recently delivered her third child and is beginning to look for work. When she arrived at her appointment today, her car quit working and was towed to Rick's Automotive for assessment. She will need a safe and reliable vehicle to look for work and to get to necessary appointments. Available assistance resources in our community (i.e. Salvation Army, OACAC, Jordan Valley Health Center and Victory Mission) do not assist with car repairs therefore there are no other resources available to assist with this need.
